

Subcontracting Opportunities

UF Project

MP08904 Rhines Lab B015

Services/Goods Requested

Trade Subcontractors

Bid Due Date

11/15/2024

Instructions

Requesting bids for Campbell Spellicy Engineering Conformance Documents "UF MP08904 RHINES B015 LAB RENOVATION" dated 9/24/24.

Please email karlin@deckercm.com for bid docs.

Combination plumbing / HVAC bids will be considered if deductive alternate is provided with bid by the due date.

Winning bidder must be able to mobilize by the end of November 2024.

Bids are due by 12p 11/15/24.

Bids will be opened at Decker's office with Design Professional and UF PM and Contract Administrator the following week - time and day TBD.

Pre-bid meetings and/or site visits may be held for certain trade packages depending on the scope, complexity, schedule, and other demands of the project.

Design Professional representative(s) and the UF PM shall attend such meetings.

Time / date TBD and will be announced at least 24 hours prior to meeting.

All bids per plans, specifications and UF standards.

You are encouraged to obtain qualified small business participation within your scope of work.

For trade packages valued at \$150,000 or more, please submit sealed bids to Decker's office.
